

Town Report

JULY, 2015

- As of July 1, 2015, the Town has Cyber-Insurance, as recommended in the 2014-2015 Placer County Grand Jury Report.
- The Town Clerk and Finance Director are working on the Town's Administrative Policies.
- The Town's Summer Concert Series was a big hit last Friday night with the Rhythm Vandals.
- Town Council Member Ucovich and the Town Manager attended their respective LOCC committee meetings on June 12 (Transportation and Environmental Quality).
- As reported last month, the Town has received a PTMISEA grant in the amount of \$51,366 to install an EV Charging Station in the Multi-Modal Parking lot. Contract planning staff is working with several manufacturers and staff will be preparing an RFQ/RFP to purchase and install the chargers.
- Town staff has been reviewing the Administrative Draft EIR for the Village project. Following in-house staff comments and finalizing of the Administrative Draft EIR the document will be circulated for public review as a Draft EIR.
- The Town Council and Planning Commission held a joint workshop field trip to visit some nearby subdivisions and the review of design standards being utilized. The field trip was held on June 15, 2015.
- There will be free energy and solar workshop on July 21st at the Train Depot from 6:45 pm to 8:00 pm.
- A decision on voting Delegates to the LOCC conference in September has been placed on tonight's Town Council agenda.
- Presentations by potential Web Site Designers will be before the Town Council at tonight's Town Council meeting. Consistent with Goal #2 of Strategic Plan – Design New Town Web Site.
- The Town Manager will be taking over as the Town's appointment on the Solid Waste Task Force as well as the Town's representative on the West Placer Stormwater Quality Design Manual Steering Committee.
- The Town's Finance Director has taken over as the Town's representative to CalRecycle.
- The Town Manager continues to meet with the CEO of the Chamber to continue working on future projects including an entrance sign to Loomis at the corner of Taylor and Sierra College Boulevard and a branding program for the Town. These are consistent with Goal #3 of the Strategic Plan-Signage on Town Borders and with Goal #3 of the Strategic Plan – Branding.
- Caltrans is reviewing the Encroachment Permit for the tree planting at the Horseshoe Bar Interchange On & Off ramp loops and to attach metal art work to the bridge. Caltrans Headquarters should be approving and signing the agreement in the next few weeks.

- Staff plans to bring to the August Council the awarding of the company to fabricate and install metal artwork for the bridge.
- On June 24th, a public workshop was held at the Train Depot regarding the Town's update to the Traffic Circulation Element of the General Plan.
- Town Manager is working with the region & consultant to prepare a Low Impact Design Manual as required by the State.
- Staff working on the Request for Proposal for a back-up on-call Inspection Services Company to advertise in August.
- Staff is receiving bids for on-call Striping Services.
- Horseshoe Bar road from the overpass to the "T" has been restriped. Several safety complaints were received.
- The Town Manager is coordinating and meeting with the Placer County Region to participate in the Local Hazard Mitigation Plan required by FEMA for future funding.
- The Town Manager is coordinating with the region to provide an MOU for partnering with other cities to keep up with the demands of the State National Pollutant Discharge Elimination System (NPDES) Permit.
- Staff has issued an RFP for engineering Design Services for the dual left turn lane from Taylor southbound onto Sierra College Boulevard. In addition, Staff is working on acquiring a contractor to use decorative stamp concrete in the existing median island on Taylor Road at Sierra College Blvd.
- The Town is receiving a quote for on-call electrical services for the Blue Anchor Park and Multi-Modal Parking lot, including the repair and maintenance of the light standards.
- J&S Asphalt will be sealing and striping the Magnolia Street Parking Lot next week.
- Public Works staff is continuing repair work to Barton Road.
- Public Works staff is working to maintain and retrofit the Town's vehicles for safety and reliability.
- Public Work staff is working to eliminate surplus office equipment and to recycle discontinued signage being stored at the Corp yard.
